

Executive Profile
Dr. Dorothy Huston - President, TMT Group, Inc.

Dorothy W. Huston, PhD., is President/CEO of Technology Management Training Group, Inc., a provider of information technology, management, and training solutions. She has amassed more than 20 years of experience in organizational change and leadership, program planning and execution, training and development, student development, and educational program outreach.

Dr. Huston has provided the visionary leadership for the establishment of the Alabama A & M University Research Institute in 1999, a business entity designed to respond to a diverse business and industry clientele in partnership with the university. She served as Vice President for Research and Development for 7 years, during which the growth in research funding and contracting grew from \$ 13 million to over \$ 30 million. She designed the state and federal program for Alabama A & M University, having garnered over \$ 20 million in special state and federal appropriations. She was responsible for executing unprecedented agreements with business and industry, including loaned executives, IPAs, cooperative agreements, and partnership agreements that include support for co-ops, interns, and corporate scholarships.

Dr. Huston has consulted and provided training for more than 50 organizations and agencies. She is an experienced proposal developer, evaluator, and trainer. She currently serves on the faculty in the Department of Curriculum, Teaching and Educational Leadership where she teaches graduate level courses in Administration and Supervision at Alabama A & M University. She earned her undergraduate degree at Alabama A & M University in 1979 and her Masters Degree in 1980 from The Ohio State University.

In 1983, she completed graduate school at The Ohio State University, earning her doctorate in Educational Policy and Leadership. She has earned additional certificates in the areas of student personnel administration, environmental safety, lean processes and executive leadership development.
